

Agenda for Aurora Imaging Library Lite Training

Day 1

Intro to the AIL/AIL-Lite Training Environment

AIL software architecture

Installation

C++/C# Programming Lab 1

Break

Buffers (Introduction)

C++/C# Programming Lab 2

Lunch

Displays (Introduction)

C++/C# Programming Lab 3

Break

Digitizers (Introduction - Grab)

C++/C# Programming Lab 4

Day 2

Buffers (Advanced)

C++/C# Programming Lab 5

Break

Displays (Advanced)

Digitizers (Advanced)

Lunch

C++/C# Programming Lab 6

Development and debugging techniques

Break

Troubleshooting

Additional Topics:

MIL CoPilot (Lab 7)
